

Sea otters need space

Always pass by parallel.
Direct approaches will scare sea otters!

Resting

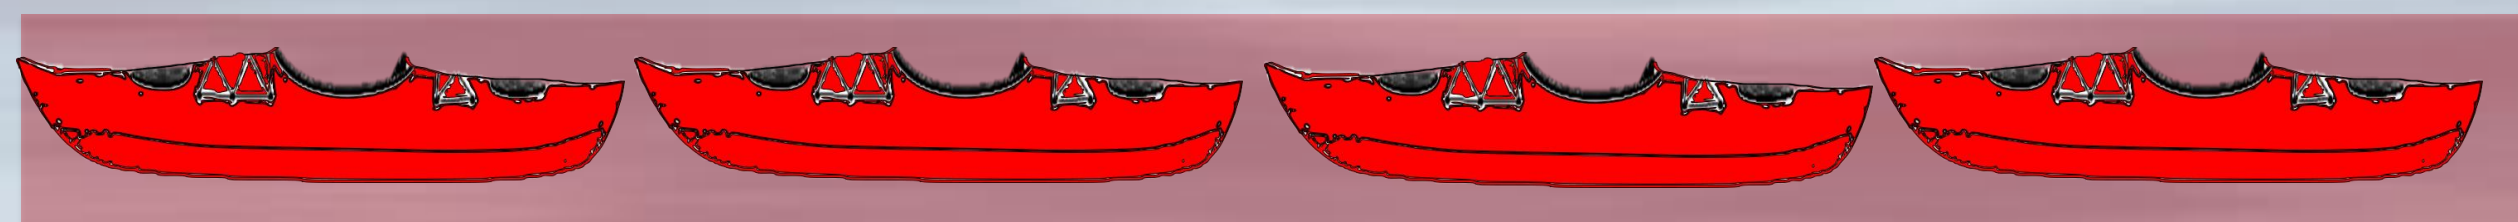

100 ft or 8 kayak lengths

Alert

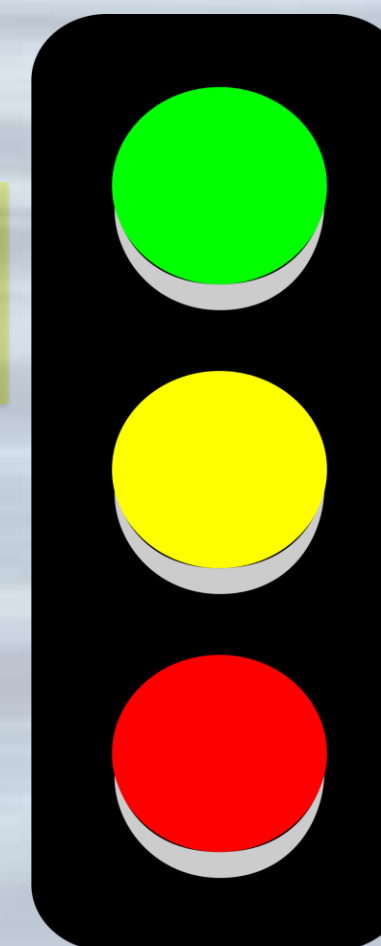

60 ft or 5 kayak lengths

Disturbed

50 ft or 4 kayak lengths

Green zone: Safe for sea otters at all but the most remote locations.

Yellow zone: Safe for most sea otters. Be alert for behavior change.

Red zone: Disturbance very likely!
DO NOT ENTER!
